

2023

**ANNUAL
REPORT**

Fun fact: As our adorable 2023 cover model Pachecho prepared to graduate with his student Emily, the shelter's team discovered a small but important thing - his hidden microchip! While Pachecho wasn't adopted that day, his original owners were contacted and came to take him home!

From our Executive Director

Dear Friends,

I'm thrilled to share that 2023 was a year of growth and transformation for youth from under-resourced communities and shelter dogs!

Core Programs: Our Positive Enrichment Series and Positive Youth Development Series enriched the lives of over 74 shelter dogs and 24 young people, offering life-changing training, empowerment and personal growth.

Community Connections: We reached beyond our core programs, engaging over 230 youth with inspiring presentations and workshops on animal welfare.

Mobile Pet Adoptions: By co-hosting mobile adoption events with Rev Cycle, we brought shelter dogs into the community and raised awareness that shelter dogs can be amazing family dogs too!

Organizational Growth: We invested in leadership excellence through continued education and strengthened our fundraising efforts, resulting in increased revenue.

This incredible impact wouldn't be possible without you. Thank you for making a real difference in the lives of our youth and shelter dogs.

With gratitude,

Kelly Osburn
Co-Founder & Executive Director

Program Accomplishments

We believe every child deserves the love of a dog, and every dog deserves to be loved. Our programs empower youth from under-resourced communities and enrich the lives of shelter dogs through the human-animal bond.

We offer two program models:

Positive Youth Development Series: Young people work one-on-one with shelter dogs, guided by professionals and volunteers. Using positive, rewards-based training, this program fosters personal growth in youth and helps dogs develop behaviors that lead to loving homes.

Positive Enrichment Series: Adult volunteers and shelter dogs participate in an immersive day training program at shelters. This program equips volunteers with stronger skills, enhances the dogs' behavior and prepares volunteers to mentor youth in our original model.

Check out just some of the pups who made our Hall of Fame in 2023!

Organizational Highlights

Multiple board and executive director trainings

2 Positive Enrichment Series programs: training, enrichment & advocacy for 74+ shelter dogs.

2 Positive Youth Development Series programs: daily training, mentorship & personal growth for 23 shelter dogs & 24 youth

Animal related presentations & workshops for 230 additional youth

New community partner Waverly High School

Streamlined & strengthened the annual fundraising plan

2 mobile pet adoptions with community partner Rev Cycle

Empowered graduates with a new K9YA graduate-hosted expert panel

Secured a technology grant to strengthen our intern Video Storytellers initiative

Annual revenue is steadily increasing, keeping pace with organizational growth

A French Bulldog with white and grey patches is looking over a wooden table. The dog's head is centered in the frame, with its eyes looking slightly to the right. The table is made of light-colored wood and has some stains on it. To the left of the dog, the arm of a person wearing a grey hoodie is visible. To the right, the arm of a person wearing a black and white striped shirt is visible. In the foreground, there is a plate of food with green basil leaves, red cherry tomatoes, and white cheese. The text "Thank you!" is written in a black, cursive font across the middle of the table.

Thank
you!
